Record Production Rate Seen by 1962

HOT SPRINGS, Va. (AP) — Economists predicted privately today that continuing recovery would lift the nation's annual production to a record rate of more than \$525 billion by the end of the year.

The optimistic estimate came as Secretary of Commerce Luther H. Hodges prepared to meet here with his Business Advisory Council.

Members of the council—which includes the heads of scores of the country's largest corporations—were elated at the rising trend of sales and output in recent weeks. It surpassed the council's March predictions.

An industry by industry report on business prospects is not scheduled until Saturday. At hand already, however, are the joint findings of Commerce Department experts and the council's own panel of industry economists.

The report, to be presented by F. R. Kappel, president of American Telephone & Telegraph Co., reportedly shows that national output will reach a rate of \$505 billion a year in this quarter.

That represents a fairly strong pickup from the first quarter recession low of \$499.5 billion. It more than makes up the ground lost since the pre-recession high of last spring.

Hodges' meeting with the council this weekend is the first since BAC completed a reorganization at his firm request.

Hodges has given the council the biggest shakeup in its 28-year history.

He eliminated some of its traditional secrecy and banned its practice of paying the hotel bills and travel costs of government officials invited to the spring and

fall meetings at exclusive resorts. Most sessions are behind closed doors, but Hodges has ruled that the BAC must admit newsmen to any meeting addressed by a government official. His reason: to ensure council members do not receive information unavailable to other businessmen.

U.S. Economy Picks Up Speed

2.5 Per Cent Jump In Output Reported

WASHINGTON (AP)—A sharp increase in industrial production last month gives added indication that the U. S. economy is moving up from recession lows.

The Federal Reserve Board reported Friday a 2.5 per cent jump in industrial output over March. It was the first increase in 9 months and the best showing in 16.

It also was the strongest indication so far that the economy has snapped out of the recession which began last year.

And the experts of the Business Advisory Council and Department of Commerce predicted the gross national product (GNP) would reach a record annual rate of \$525-530 billion by the end of the year. The BAC includes the heads of many of the nation's largest companies.

Good news also came from recent employment figures.

The Labor Department said Thursday there was a "significant" increase in the factory work week during April. It also reported modest employment gains in many job-scarce manufacturing industries.

And the Labor Department's Bureau of Employment Security reported that the number of jobless workers drawing unemployment benefits dipped during the week ended April 29 for the 10th straight week.

The total fell 113,900 to 2.61 million.

At the same time, the department reported that applications for temporary additional unemployment benefits—part of President Kennedy's economic relief program—rose 81,200 during the week ended May 6 to 866,000.

No boom was in sight, but Pittsburgh sources indicated that the steel industry at last shows a sustained upturn. Production last week was at 68 per cent of capacity, compared with 58 per cent in the last week of March. This was the best showing for steel production since May, 1960.

Rt. 30 Scene of Two Road Mishaps

Two traffic mishaps, one causing minor injury to one man, occurred within a one-mile area along Rt. 30 Friday night.

Jay Arrigo, 40, of Canton, received minor abrasions of the forehead when his southeast bound car struck the rear of an auto being driven by Roy H. Wilson, 36, of East Liverpool, on Rt. 30, one-half mile northwest of Rt. 170, at 10:55 p.m.

Considerable damage was sustained by the Arrigo car, while Wilson's auto received minor damage, patrolmen said. Arrigo was cited for failure to stop in an assured clear distance.

Another two-car mishap, this one on Rt. 30, one-half mile southeast of Rt. 170, at 9:45 p.m., caused considerable damage to cars operated by James Carl Ebaugh, 23, of East Liverpool, and Dominic Rozzi, 35, of Mahoningtown, Pa.

Patrolmen said both drivers were passing on a hill. Ebaugh going northwest and Rozzi southeast, when the collision occurred. Rozzi was cited by patrolmen for failure to drive in a proper marked lane.

FBI To Probe Newport Police

Will Sift Evidence In Ratterman Case

NEWPORT, Ky. (AP)—An investigation of the Newport Police Department by the U.S. Department of Justice has been ordered.

A justice department spokesman said Friday the Federal Bureau of Investigation will check whether Newport police "knowingly participated in the use of framed evidence" in the arrest of George Ratterman, independent candidate for sheriff of Campbell County, early Tuesday.

The spokesman said Ratterman's civil rights may have been violated if he was denied due process of law in his arrest.

Ratterman, a former professional football player, was arrested in a hotel room with a woman after Newport police received an anonymous tip that there was prostitution going on in the hotel. Ratterman has claimed he was drugged and that the arresting detectives tore his pants off.

Claude W. Johnson, vice president and spokesman for the Committee of 500, a reform group which persuaded Ratterman to run for office, said the FBI's entry into the case "comes as no surprise to the Committee of 500."

"We have been in touch with the FBI from the beginning," Johnson said.

Henry J. Cook, Ratterman's attorney, said only he was "glad to hear" that the FBI had entered the case. Cook said he had made the original complaint to the FBI.

Ratterman himself could not be reached for comment. Cook earlier told him to make no more statements until his case comes up before Newport Police Judge Joseph Rolf next Tuesday.

The charges against Ratterman, father of eight, are breach of peace, disorderly conduct and resisting arrest. The woman with whom he was found, Juanita Jean Hodges, 26, of Houston, Texas, has been charged with engaging in prostitution.

Tito Carinci, a former football friend of Ratterman, in whose hotel suite Ratterman claims to have been drugged, has been charged with breach of peace. All three cases will be heard at the same time.

PARKING LOT WORK PROGRESSES — A power shovel removing dirt from the site of the new city parking lot off Pershing St. frames four interested persons whose efforts have helped bring about the facility. Left to right they are Charles Haldi, Robert McCulloch Jr., Mayor Dean Cranmer and Elliott Hansell. Haldi, McCulloch and Hansell are members of Salem Parking Inc., an organization of retail merchants working with City Council to improve parking facilities in downtown Salem. Leslie Hoopes, contractor, has the contract for removing some 10,000 cubic yards of dirt from the lot site which, when completed about Aug. 1, will provide parking stalls for 175 motor vehicles.

Kasavubu Seeks To Unify Nation

LEOPOLDVILLE, the Congo (AP)—President Joseph Kasavubu today called Parliament back into session to help resolve the political chaos that has split the nation since its founding. It is expected to meet in a few weeks.

"After nearly 10 months of confusion, misery and all kinds of privation," the president said in an address, "each of us will have taken note of the need for stable social order based on the principles of public morality and legality."

The call for Parliament to meet represented an attempt to bring Katanga back under control of the central government, now that Katanga President Moise Tshombe has been arrested on treason charges. He has proclaimed his province an independent nation.

It remains to be seen whether Katanga's deputies will desert Tshombe and attend the parliamentary session.

Kasavubu asked for United Nations protection for the parliamentarians and their families, and for U. N. travel facilities to bring the members to Leopoldville.

He called the first session to open immediately after the conclusion of the present political conference in Coquilhatville, probably this month.

"The moment is very grave," Kasavubu said in a formal address in Coquilhatville. "Every one has the duty to collaborate in the work of reconstruction. I hope the convocation of the parliament will bring not merely a return to legality but a full new lease of life for our population."

By recalling the parliament Kasavubu effectively challenged the rebellious Lumumbist regime in Stanleyville to come to terms with the central government.

Rebel leader Antoine Gizenga has always insisted that only parliament could designate a legal government.

Gizenga took over the leadership among followers of ex-Premier Patrice Lumumba, slain during captivity early this year, and set up a rump regime in Stanleyville to continue the fight for a rigid central government.

Veep Warns Of Red Tactics

Johnson Addresses Philippine Congress

MANILA (AP)—Vice President Lyndon B. Johnson told the Philippines Congress today free nations "must together show our determination to keep our freedom" in the face of Communist threats.

The vice president, barnstorming Asian hot spots for President Kennedy, appeared at the University of the Philippines and then dashed across Manila by helicopter to make this pledge before a joint session of Congress.

"America will honor her commitments to the cause of freedom throughout the community of free nations."

"Our friends can count on America, and we know we can count on our friends—none more than our old and cherished friend the Filipino people."

A packed chamber listened as Johnson warned: "Communism is testing our good will by many tactics in many places."

He cited Cuba as a place where "a demagogue has turned a people's dream of a better life into a nightmare of Communist dictatorship."

In South Viet Nam, which Johnson left Friday, "Communist guerrillas hide in the jungles to strike by night against families who have chosen freedom," he added.

In a seeming gesture of caution about the Philippines' expressed frustration with anti-Communist policy throughout Asia, Johnson said "unity of purpose is one thing. But it is not everything."

"In a global contest there are many arenas and many tactics," he said. "Unless this is understood, unity of purpose can become an empty shell."

This was the closest the vice president came to mentioning Laos, the crisis area of greatest concern to the Philippines.

"Freedom must respond responsibly to clear and compelling challenges of communism wherever and however those challenges come," he said. "Freedom must demonstrate flexibility."

The free world must display initiative, he said, and "seek new responses to express true strength of our free society."

Before addressing congress, Johnson lunched with President Carlos P. Garcia in sprawling Malacanang Palace. Garcia is the second chief of state Johnson has met in his tour aimed at helping stem the Communist tide in Southeast Asia.

Johnson displayed a touch of Texas informality during the motorcade ride from International Airport—the same informality that won him a wave of friendliness in South Viet Nam.

Representation At Confab Disputed

GENEVA (AP)—U. S. Secretary of State Dean Rusk and Soviet Foreign Minister Andrei Gromyko met today but failed to solve their dispute over how Laos should be represented in the international conference on the future of the Southeast Asian kingdom.

The issue of Laotian representation kept the conference from starting on schedule Friday. In his first try at personal diplomacy with the Soviets, Rusk conferred with Gromyko in a Soviet hillside mansion to try to end the dispute.

Rusk told newsmen after his meeting that the United States would not accept the Soviet demand for full and equal status for the Communist-led Pathet Lao at the conference table.

"This represents an injection of a new idea by the Soviet Union," Rusk said. "This was not the basis on which we were invited to the conference."

Rusk and Gromyko were together at the tree-shaded Soviet mission for 70 minutes. The American decided to call on the Soviet foreign minister to explore ways of breaking the deadlock, a move encouraged by other Western leaders.

Meanwhile five leaders of the Western-backed Laotian government reached Rome on their way to Geneva as the delegation from Vientiane. They said their part in the stalled meeting would depend on a complete and continued cease-fire in Laos. Pathet Lao and neutralist delegations, the other two factions involved, already are at Geneva.

After the conference in the Soviet Embassy, Gromyko told newsmen: "We discussed questions of opening the conference without going into details. We reached no conclusion."

Rusk said "No progress has been made yet" in breaking the deadlock.

Illinois, Indiana Watch Levees

Streams Surging Toward Crests

By The Associated Press

Flood-weary residents of southern Illinois and Indiana kept a tense watch today on soggy levees and dikes weakened by nearly a week of flooding that has reached record proportions.

Hundreds of thousands of acres remained under water with swollen rivers and streams still surging towards crests expected in the next few days.

Waters receded however, in other sections of the area which also includes Arkansas, Missouri, Oklahoma and Kansas. Fair, warm weather prevailed over most of the area.

Despite the lack of rain since last weekend's deluge touched off the flooding, many rivers continued to rise as tributaries absorbed the runoff.

Vast sections of Southern Illinois lay under the backwaters and workers battled the worst flooding in the area in 20 years. Fifteen counties have been listed as disaster areas. Numerous roads remain impassable, utilities disrupted and water supplies threatened.

The Little Wabash in southeastern Illinois surged toward an expected crest of nearly 22 feet above flood level at Carmi today. More than a third of the community's 6,200 residents have been evacuated.

White County, where Carmi is located, was reported to have more than 40 per cent of its farmland under water.

At Murphysboro, the big muddy river crested Friday at 22.5 feet above flood level and residents waited for the water to recede to assess the damage.

In Indiana, the Ohio River crested nearly 9 feet above flood level at Tell City and is expected to top 14 feet when the crest reaches Cairo, Ill., Monday.

The Ohio runs into the Mississippi.

7 Bid to Erect New Post Office

The U. S. Post Office Department was reported studying seven bids before awarding a contract for the construction of Salem's new post office building at the corner of Penn Ave. and Columbia St.

Three of the bids were submitted by local firms, according to unofficial word received here from Roy E. Ronke, real estate officer for the Post Office Department at Cleveland, where the bids were submitted.

Announcement of the contract winner is expected sometime within the next two weeks, it was indicated.

The new postal facility will be built on a lease arrangement with the government.

Lisbon Social Notes

Because of wind damage caused to Wayne Grange Hall in Monday's storm, it was necessary to hold the meeting at Wayne School Thursday night.

Master Margaret Ewing presided. Members decided to hold Pomona meeting Saturday night, May 20, also at the school. Each woman is to bring two pies for the Pomona lunch.

Twelve juvenile grangers were present Thursday, with Mary Agnes Saling substituting in the absence of master Betty Lou Rowley. Johnny Ewing invited the group to his home Friday, June 9, for a hayride and wiener roast at 8 p.m. All those attending should bring their own wieners and buns. Marshmallows and a soft drink will be furnished by the committee composed of Mary Saling and Johnny.

Lecturer Jimmy Ewing's program consisted of the making of Mother's Day cards and painting and decorating plastic containers for their Mother's Day gifts.

The next meeting will be June 8 at the school.

THE AUXILIARY OF THE AMERICAN Legion Post presented its 1961 "Miss Poppy", six-year-old Linda McCammon, to the crowd which attended the Kiwanis ladies-night banquet at the Masonic Temple Thursday night.

Mrs. Thelma Hill, council or, presided when the D of A Lodge met at the lodge hall Thursday night.

Mrs. Iva Mentzer, Mrs. Theresa Moore, Mrs. Anna Reuff and Mrs. Laura Wright served as hostesses for the social portion. Mrs. Nannie Meehan and Mrs. Ollie Carnes won prizes at 500, and Mrs. Ruth McKee and Mrs. Lydia Bennett at other games.

Plans were completed for members to attend the district meeting in Steubenville May 17.

Confident Living

By Dr. NORMAN VINCENT PEALE
Our Mother's Inspiration

One beautiful May afternoon while driving from New York City to the little town of Carmel 60 miles upstate, I witnessed from the highway an incident which deeply affected me. In itself it was just an ordinary, everyday kind of incident, but so much was I moved by it that the experience almost led to my being slapped with a traffic ticket.

I was driving alone and had put pencil and paper on the seat beside me, thinking I could make some notes along the way; but that didn't work out too well. So I decided I would commune with nature. There was plenty to commune with: the bright misty green of reappearing foliage; new grass gleaming in the sun; dogwood in bloom; then a series of small lakes and reservoirs all blue and sparkling under the touch of a gentle breeze.

At a place where the highway skirted the edge of one of these lakes a school bus hove into view and I had to stop my car and wait while it discharged a passenger.

THE YOUNGSTER clambering off it was a boy, maybe 10 years old. His hair was mussed up. He had some books under his arm. He waved goodbye to the other kids as the bus moved off. Then without so much as a glance in my direction, he picked up some stones and began shying them out across the lake water, watching each one skim and skip, describing one beautiful arc after another, and finally plunge under.

The I heard somebody call — and down the walk from the nearby house came a graceful, slender, young-looking woman, obviously the boy's mother. When she came within reach of him, she didn't kiss him. (I thought, "Smart mother.") Women should know when kissing is in order and when it isn't. At age 10, when a fellow gets home from school, that ain't it.) She just put out her hand and ruffled the kid's hair — a man-to-man kind of greeting. Then they turned and together went up the walk toward the house.

MY MIND WAS flooded suddenly with memories of my own boyhood and of the homecomings at

Meander VFW Post Auxiliary Will Meet

The regular meeting of Meander Post VFW Auxiliary will be held Tuesday at 8 p.m. at the home of Shirley Craig at Lake Milton.

Officers will be elected when Mahoning County Council meets next Thursday in Struthers.

The Council and Auxiliary will hold an anniversary banquet and installation of officers on May 21 at 6 p.m. at Struthers. John Craig of Meander Post is general chairman.

At the recent meeting of County Auxiliary, Jean Martin was elected senior vice president, and Ruth McCalmont, re-elected treasurer; Shirley Craig was appointed color bearer by the new president-elect Martha McGuinness, of Sgt. Arthur McGuinness Auxiliary of Youngstown.

Myron Young, 8th District senior vice commander, and Mrs. Young; John Craig, Mahoning County Council senior vice commander, and Mrs. Craig; and Talcott G. Kauffman, Mahoning County Council Commander and Mrs. Kauffman attended the Loyalty Day observance and covered dish dinner held Sunday at Firestone Post in Akron.

City Revenue From Weight Scales Shown

The city, in conjunction with the state highway patrol, took in \$22,178.80 in fines levied against truckers for overload violations checked at the city scales on W. State St. in the past 16 months, it was revealed in a report today by Mayor Dean Cranmer.

However, the report revealed that during the past six months, in which the city has been authorized by ordinance to operate the scales at times on its own, the scales have garnered for the city a total of \$8,303.60. Of this amount, \$4,591.40 has gone into the General Fund and the remaining \$3,712.20 to the Street Fund.

Highway patrol operation of the scales during the 16-month period took in \$12,979 plus \$896.20 in court costs for a total of \$13,875.20.

The city's share of the state's \$12,979 is 55 per cent of \$7,138.45. However, the county law library has received 27½ per cent of the city's 55 per cent, leaving the city with \$3,569.23.

A breakdown of the city's combined shares of \$12,769.03 in both city and state operation of the scales over the past 16 months is as follows:

State fines and forfeits (27½ per cent), \$3,569.23; state costs, \$896.20; city fines and forfeits, \$7,424.40, and city costs, \$879.20.

Of the combined totals of \$12,769.03 for the city, \$9,056.83 is earmarked for the General Fund, while the remaining \$3,712.20 will go to the Street Fund.

In his report, Mayor Cranmer said that his quest for the ordinance to allow the city to operate the scales on its own had proved to be a great asset to the city treasury. He said that only one man is used to operate the scales, with his wages being paid as a service department employee.

In addition to operating the scales, the man also takes complaints and answers the phone for the service department.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Luke	11	5-13
Monday	I Samuel	12	1-5
Tuesday	Matthew	18	1-10
Wednesday	II Timothy	1	3-7
Thursday	Proverbs	22	1-6
Friday	I Samuel	1	24-28
Saturday	Proverbs	31	25-31

A child's gift is especially sweet. I wish that I could give this little girl something that would mean as much to her as her flowers mean to me. But I know that just now, I can't. For she won't recognize my gift until much, much later.

Then, I hope she'll look back on her memories of me and say, "The first time I ever went to church, I went with my Grandma. You know, I don't think she ever missed a Sunday at church in her life..."

Though I have missed a Sunday now and then when I was sick, or had to stay home with my young ones, I never have missed going to church if there were a way to get there. And this habit—a wonderful habit—is something that I've passed along to my son, and that I've seen him pass along to his daughter.

This is a priceless heritage. For having a regular place for the Church in one's life, from childhood on, gives one a faith that endures forever.

Voices Of the Opposition

One guess is as good as another about current efforts to give political representation to Americans who are not Kennedy Democrats. Who knows what they will lead to?

It is certain to be made to appear that all Americans who are not Kennedy Democrats are either actual or potential Republicans and that all the efforts are one form or another of Republican organization. But that is not what the efforts are leading to yet. There is no election in the offing.

In our two-party system, the opposition is referred to handily by the name of the opposition party. But in recent years the proportion of party-line Democrats and Republicans has been declining while the proportion of Americans who call themselves independent has been increasing. To be anti-Kennedy in 1961 is not necessarily to be a Republican.

THE CLOSEST THING to a gathering of party faithful under the Republican banner was last Thursday's meeting of its associates called by former President Eisenhower at Gettysburg. But even in that assemblage of former Cabinet officers and special appointees there were individuals whose Republicanism has been suspect in the minds of other Republicans. Even Gen. Eisenhower's Republicanism was regarded as a presumption by some members of the party he joined after he first had been sounded out for a presidential nomination by the Democrats.

Former Vice President Nixon has been calling attention to the differences of opinion that exist between him and the Kennedy administration. New York Gov. Rockefeller has been keeping his views in the news

successfully, though he has been preoccupied so far this year with the administration of his state.

Sen. Goldwater, the avowed voice of conservatism, has been filling more speaking engagements than one man should be expected to endure. Sen. Dirksen and Rep. Halleck—the Ev and Charlie team that brightens television's coverage of politics—have been expounding their views. Yet, these men do not speak as one voice in politics. Their views vary.

But all their views are turning into an almost daily reminder that the Kennedy administration is equipped now with an opposition in fact as well as in name. This is an unpleasant reality to those who don't believe in political opposition unless they're doing the opposing. But it is a reassuring reality to all who grow fearful that the privilege of contrary opinion may somehow be lost by default unless it is practiced vigorously.

IT WILL CONTINUE to be a misfortune that the political opposition in our country has no official position; that its spokesmen have no official standing; that its members have no method of arriving at policy. Ideally, defeated presidential candidates would continue to lead their parties. They would have a personal staff and finances. Ideally, former presidents would serve in the U.S. Senate, where they could gain an audience without having to speak at a banquet or hold a luncheon.

But in the absence of ideal conditions, the voices of the opposition are doing the best they can to make their existence known and their message heard. The two-party system is doing what it is supposed to do—bring out differences of opinion on public issues.

Mankind's Collective Hardships

The experience of Marc Berkowitz, the New Yorker who encountered his own haunting past through the documentary movie "Mein Kampf," is all the more interesting because it is so unusual.

In Mr. Berkowitz's case, the documentary film was taken by the Russians after they had freed him and other inmates from a Nazi camp.

Because of the great number of docu-

mentaries of World War II and the Korean War currently appearing on television, it is possible that many Americans could come face to face with themselves.

Fortunately, it seldom happens.

A former-GI watching a documentary on any of the many battle actions he may have been in can watch with vicarious reactions. He may even say to others, "I was there."

But the prospects of seeing himself in action are not great. For one thing, the films generally were shot under much less than favorable circumstances. For another, the documentaries usually are put together to show an over-all view of the action.

It is better this way. The bedraggled, fatigued, bleeding figures that march across the screen could but recall heartaches if each were recognizable. The faceless, nameless, weary creatures bring glory not to individuals, but to the millions of men who endured hardship.

Indeed, it is important that the world never forget the world of Marc Berkowitz and Adolf Eichmann, but for those who suffered, it is better that we recall them collectively instead of as individuals.

Two Worthy Projects

The Route 45 bypass south of Salem is at least five years away, the State Highway Department has indicated in its disclosure this week of priority ratings for various road projects for Columbia County.

This relocation will divert Route 45 traffic from the Lisbon Road over a new two-lane thoroughfare and thereby relieve local streets of some of the heavy truck traffic that has become such a nuisance. The project, one that has been urged for several years, has great merit and deserves prompt attention by state highway officials lest a priority change be made later to this city's disadvantage.

Both the Route 45 job and the much discussed, badly-needed Route 62 relocation are so vital to the Salem district that highway department officials should recognize the need and spend some extra time in hurrying these projects along through the customarily crowded engineering-political channels.

Once Over

By H. I. Phillips

That U.S. is still away off beam in public relations was indicated by the wet blanket policy in welcome-home receptions for Cmdr. Shepard. Its work in restoring prestige is still in a slump.

Our first Space Man is modest and Russia's performance was bigger but the American event was an epic in American history and a terrific opportunity for raising morale and stirring patriotic efforts to new heights. Yet the welcome ceremonies were far below those always extended to pro golfers, movie stars, run-of-the-mill foreign diplomats, screwball potentates, channel swimmers and assorted trouble making mediocrities. (Even Fidel Castro got a Broadway parade. Khrushchev did pretty well for just orbiting one of his old shoes.)

There were moments in the overdignified nonemotional reception arranged by Washington when our first space man might have been thought to be the winner of a New Hampshire ski jump, or somebody who had sunk a long putt in a British Open.

What goes these days with Uncle Sam, who has generally been a keen hand at getting the most out of a great event?

American people have "right to know more" about government operation but right to give way to patriotic jubilee and whoop it up generally is evidently something else. In time of top heroic exploits are brass bands and ticker tape scratched?

Mortimer Topblower says hero who put life up for grabs got nothing like the free-handed, heartfelt welcome given to Americans who are first in a chiropodist's office after a bunion derby.

"Shepard welcome had dignity. It had restraint. It had a coffee break, a Washington keep-it-modest parade and a press meeting, but no New York, Chicago or other big celebration.

"The joyous, big time shoot-the-works display of American emotions was ruled out on the claim that the hero must get back to Canaveral to avoid any delay in missile building.

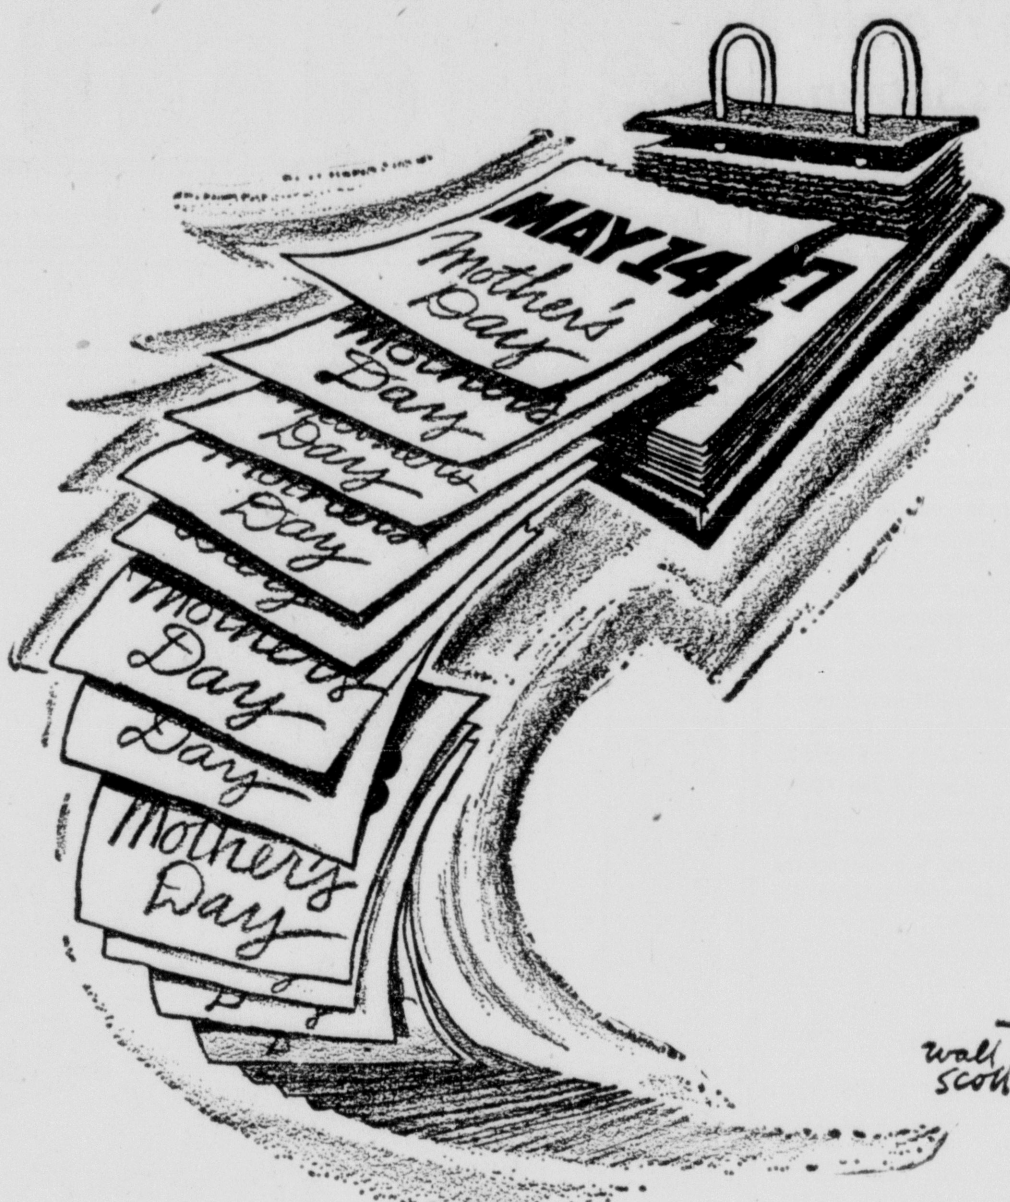

Okay, but has there been that much hurry getting Canaveral strikers, slow-downers, agitators and featherbedders back. They have seemed to have free time to spare.

MOTHER'S DAY seems to be perpetuated under the curious idea one day in entire year is enough to send a potted plant, put in a phone call or remember to write. Friend of ours got the bill for a bouquet for mommer and exclaimed, "Are florists anti-mother?"

Remember away back when nobody was in danger of getting into a war during true talks.

Every Day Is Mother's Day

We Strain At Gnats

By RAYMOND MOLEY

With a shuddering eruption reserved only for the gravest crimes, the press last week "exposed" the solicitation of \$100 tickets for the Kennedy birthday Democratic fund-raising dinner by an official of the oil industry.

The oil man said that Interior Secretary Udall wanted the tickets sold. Cuba, Laos, and the astronaut were moved aside to display this "shocking" disclosure.

I am not naive enough to think that the New York editors really believed this to be important. They were merely aiming at what they believed to be an item interesting to a public too superficial to understand anything really important. I happen to have another opinion of public intelligence but that is a matter of opinion upon which editors may disagree.

I hold no brief for Udall in this matter. In his hundred days of office, it is the third example of his belief that the habits and methods of a Tammany district leader are appropriate for the

highest levels of the government of the United States.

NO ONE, not even a New York editor, can believe that the oil industry can buy anything of importance with a few hundred-dollar bills. Or that this sort of shakedown is new or limited to the Democratic party. But it was something easy to write about and easy for anyone with a grain of sense to understand.

I am making the point of relative importance. Secretary Udall as head of the Interior Department is responsible for a very large part of the wealth of the United States.

In terms of property values the Interior Department is the most important government agency except the military. It is running a stupendous business operating—leasing public lands and mineral resources, conducting a vast operation in the production and distribution of electric power and holding the fate of vast numbers who make their living on public lands.

There was no clamor in the New York press or in Congress when Udall and the President appointed to all the important posts in the Interior Department individuals whose records indicate they are intent upon a mammoth monopoly in the generation and distribution of the nation's most important and vital industry, electric power.

Here is the declared intention of this bureaucracy, stated by Kenneth Holm, assistant secretary of the interior, in a speech in Texas on April 25:

"Within 10 weeks after taking office President Kennedy recommended to Congress that the huge new atomic reactor at Hanford, Wash., be converted to a dual-purpose plant with a power production capacity of 700,000 kilowatts. . . the largest power producing atomic reactor in the world. . ."

"President Kennedy has declared it is his policy, and Secretary Udall has reiterated it on several occasions, to provide leadership directed to the development of a nationwide high voltage common carrier transmission grid."

THIS MEANS simply that the power produced by all the federal dams in the Northwest, in Rocky Mountain states, the Missouri Valley, the Southwest Power Administration, the TVA, and other areas would be carried over a giant, monopolistic federal system of transmission lines.

In our present civilization electric power is the vital link upon which not only all individual enterprise must depend but upon which every individual and family must rely.

This would mean the key to a socialist economy. This idea has been the dream of every socialist in and out of government, for more than a generation.

Only the press and the Congress can make this grand design known to the public. But it is forgotten while we are kept amused by the selling of a few tickets to a political jamboree.

Foreign students are harder to catch, for many simply attend classes without the intention of passing exams. Officials also tend to be more tolerant toward foreign students. "They are here to learn French," one said. "And they can probably do that just as well in the cafes where they spend most of their time."

Around the Latin Quarter there are legendary figures who claim to have been living in Paris as students since they arrived here on the G.I. Bill at the end of World War II. They have their card to prove it and claim they don't even know where the Sorbonne is.

But starting with the next school year, the University of Paris will make the following categories of students ineligible for student benefits:

Those who enroll for only part of the school year or for summer courses and certain categories of foreign students not working toward a specific degree. In addition, the age limit will be strictly enforced—anyone over the age of 30 or 35 for those preparing their doctorates will not be entitled to student benefits.

Power Of FCC

By DAVID LAWRENCE

U. S. To Dictate Radio, TV Programs?

Is the Kennedy administration about to take over the radio and television stations of the country and make them obey the government's dictation as to what they shall put in their programs?

If so, then will there have to be a soft pedaling of some of the criticisms usually launched against Nikita Khrushchev's methods of controlling public opinion?

These questions are asked because of the amazing speech just made by President Kennedy's appointee as chairman of the Federal Communications Commission, Newton N. Minow. He spoke before the annual convention here of the National Association of Broadcasters.

If Mr. Minow's speech is carefully analyzed, it can only mean that broadcasting companies in America hereafter will be under the constant threat of government confiscation and punitive measures.

This could readily lead to the use of government influence to get publicity and favorable treatment politically for whatever administration happened to be in power in Washington.

Mr. Minow takes the position that, because the government issues licenses to broadcasting stations, it has the right to decide whether a station is giving "good programs" to the public.

It's the same thing, in effect, as saying to a newspaper or other publication that, if it doesn't provide what the government might set up as the standard of news and feature content, then second-class-mail privileges granted by the government may be taken away as a punishment.

There is nothing in the Constitution which says an agency of the federal government may tell any medium of communication what shall be published or broadcast.

Indeed, the Constitution specifically says that Congress shall make no law abridging the freedom of the press. Both radio and television are integral parts of the press.

THERE ARE, of course, areas in which the government can exercise supervision so as to avoid collision on wave lengths, for example, and it can inquire also into the character and integrity of the applicant for a license or his sense of responsibility in business. But no chairman of the FCC heretofore has claimed the wide over that Mr. Minow now claims. He said directly to the broadcasting companies:

"As you know, when your license comes up for renewal, your performance is compared with your promises. I understand that many people feel that in the past licenses were often renewed pro

forma. I say to you now: Renewal will not be pro forma in the future. There is nothing permanent or sacred about a broadcast license. . . .

"When a renewal is set down for hearing, I intend—wherever possible—to hold a well-advertised public hearing, right in the community you have promised to serve."

This means that whatever passions or emotions prevail at the moment will guide the FCC in its decision whether to renew or to reject a license application.

Where is there any such power in the Constitution? It was to prevent the pressures of mob rule, or even the threats of an intolerant majority in Congress, that the Constitution specified that no control over the press can be exercised by the government.

WHO IS to define now the standard that shall be applied by the FCC? Who shall judge how much entertainment, how much information, how much editorializing done by a radio or television station is just the right combination? Yet Mr. Minow says:

"We all know that people would more often prefer to be entertained than stimulated or informed. But your obligations are not satisfied if you look only to popularity as a test of what to broadcast."

"You are not only in show business; you are free to communicate ideas as well as relaxation. You must provide a wider range of choices, more diversity, more alternatives. It is not enough to cater to the nation's whims—you must also serve the nation's needs. The people own the air."

Who speaks for the people? Who interprets their wishes or their "whims"? The people have never delegated to the government any power to decide for them what is or is not a good program content or entertainment content—or what is a satisfactory publication.

Can the federal government tell a newspaper it is printing too many comic strips or giving too many columns of space to murder trials or crime or scandals because all this theoretically doesn't "serve the nation's needs"?

MR. MINOW makes the usual disclaimer that any governmental censorship is intended. What the FCC chairman proposes, however, is broader than censorship.

No particular program or particular declaration or particular form of speech-making will be ordered suppressed—that's "censorship." Instead, a whole broadcasting company would be suppressed and put out of business and its source of revenue taken away altogether unless that company toes the mark and conforms to the doctrines of the administration which happens to hold office when a broadcasting license comes up for renewal.

This is a form of dictatorship which it is surprising to see advocated under a so-called liberal administration.

From the Files

10 YEARS AGO — Lt. Glenn Hoffer of Fort Knox, Ky., is spending the weekend with his parents, Mr. and Mrs. J. J. Hoffer of Franklin St.

25 YEARS AGO — Mrs. Mae Burd of W. Second St. has gone to Portsmouth to visit relatives.

35 YEARS AGO — Mrs. Mary Carr Curtis, executive secretary of the Woman's Interdenominational Union of Philadelphia, has arrived to spend the summer at her home on the Damascus Rd.

Matter of Fact

Soon you may be able to glue in new teeth. A new glue may revolutionize dentistry by allowing your dentist to glue an artificial tooth into the socket left by an extraction. Work on dogs is promising. In some cases, real teeth have even been removed for filling and then glued back into place.

Tribes that live high in the mountains develop into a special breed. An isolated tribe of Peruvian Indians has lived for centuries in the Andes Mountains at altitudes up to 11,000 feet. Like mountain shrubbery, they're stunted but strong. The men don't get much over five feet tall, but they have enormous chests. For amusement these tough little people run races—carrying 150-pound weights for "sport."

Thoughts

He did what was evil in the sight of the Lord, and walked in the way of his father, and in the way of his mother, and in the way of Jeroboam the son of Nebat; who made Israel to sin.—I Kings 22:52.

Sin is the insurrection and rebellion of the heart against God; it turns from Him, and turns against Him; it takes up arms against God.—Richard Alleine.

Salem Off With Columbiana County Track Meet

Quakers Roll Up 74½ Points, Win 7 Events; Palestine 2nd

Columbiana Cops 'A' Title; Janovec, Ward, Call Receive Special Awards

By DICK BRAUTIGAM

Form held up at the 58th running of the Columbiana County Track and Field Meet at Salem's Reilly Stadium Friday as the Quakers racked up firsts in half of the 14 events to win easily over nine other schools.

Salem rolled up 74½ points compared to 56½ for runner-up East Palestine. Columbiana finished third with 24 points and won the trophy for the Class A school scoring the most points.

The final results were very similar to last year's when Salem scored 72 2-3 points while taking seven firsts and East Palestine finished in the runner-up spot with 45 1-3 markers.

Although no County records were broken Friday, there were several impressive marks turned in. The winning efforts recorded yesterday were better than last year's in 11 of the 14 events. The 1960 meet was held at East Palestine.

HERE ARE the team standings for the yesterday's meet with the total points in parentheses:

1. Salem (74½)
2. East Palestine (56½)
3. Columbiana (24)
4. United (18½)
5. Wellsville (17)
6. East Liverpool (15)
7. Beaver Local (12)
8. Leetonia (3½)
9. Fairfield-Waterford (2)
10. Lisbon (1)

All 10 schools that competed scored at least one point. Salineville was the only high school in the county which did not compete. Salem, East Palestine, Wellsville, East Liverpool and Beaver Local are Class AA schools. The others are Class A.

Winning a trophy for being the high-point man in the meet was Salem's talented Ron Janovec who scored 12½ points by winning the shot put, placing second in the 100-yard dash, taking a fifth in the 220 and running the anchor leg on the Quakers' winning half mile relay team.

Salem's Herb Call and East Palestine's Ronnie Watt, the only double winners in the meet, each wound up with 12 points. Call captured both hurdles events and Watt was master in the mile and half mile runs.

CALL WAS PRESENTED the Ben Scharu Sporting Goods Store Award for being voted the most valuable Class AA performer. A sensational freshman, Jim Ward of Columbiana, won the Class A most valuable player trophy. Ward, who won the broad jump and placed third in the 100-yard dash, is the son of Waldo Ward, Columbiana High School track coach.

If there had been a trophy for raw courage, it certainly would have gone to Janovec. After breaking his own school record in the shot put and placing second in the 100-yard dash, the big Quaker co-captain suffered a painful cramp or pulled muscle in one of his thighs while running the anchor leg of the half mile relay.

The injury came shortly after Janovec got the baton. He faltered momentarily, but kept on driving and fought off a challenge by East Palestine. A tremendous effort on the second leg by Jake Evans who brought Salem from behind and a strong third leg by sophomore Bill Beery gave Janovec a little distance to spare on the final leg and the Quaker co-captain made it hold up despite the injury.

Salem's winning time in this event was 1:35.1.

JANOVEC was one of the five finalists who had qualified for the 220 in the afternoon. After his injury, he wasn't able to run in the finals of the 220 but he did jog around after the other four qualifiers and picked up the one point awarded for fifth place. This was the point that gave Janovec top scoring honors for the meet.

The 220 was won by Salem's Evans who was clocked in 23.1, his fastest time of the year. He beat out favored Paul Murphy of Columbiana who finished a close second.

Janovec's winning heave in the shot was 51-5½. His old school record set earlier this year was 51-0¾. Columbiana's talented sophomore, Dale Murphy, finished second in this event with his throw of 49-6½.

Wellsville's Bob Kiggins won the high jump at 5-9¼. Don Davidson of Salem, Bill Leatherberry of United, Mike Burgess of Leetonia and Clayton Marshall of East Palestine all tied for second at 5-8½. Leetonia's Russ Lehman, who has cleared 5-10 this year, was eliminated yesterday in the

early rounds.

SALEM PLACED one-two in the discus with Don Davidson and Bill Beery both tossing the platter farther than they ever have before in competition. Davidson's winning throw was 142-0 while Beery got off a toss of 140-1½.

Three of the six finalists in the discus were sophomores. Besides Beery, they were Bush of East Palestine and Dale Murphy of Columbiana. Bush failed to place but Murphy took fourth with his throw of 129-1.

Freshman Jim Ward of the Clippers went 19-5½ in winning the broad jump. Beaver Local's Mike Durbin, who has gone over 20 feet made just 18-9½ yesterday and wound up in third place behind Jim Massey of East Palestine.

Salem's smooth hurdling Herb Call had things his own way in both the highs and lows. He coped the highs in 15.3 and the lows in 21.5.

The 100-yard dash went, as expected, to Beery's Durbin, whose winning time was 10.4.

Ronnie Watt beat out Salem runners for first in both the mile and half mile. These were East Palestine's only two victories.

Don Vincent followed the Bulldog speedster across the finish line in the mile and Randy Strader took second place in the half mile. Jim Sturgeon of United placed third in the mile. Dick Wetzel, an East Palestine freshman, took third in the 880 while Salem's Gary Hasson was fourth.

RICK SULEA of the Quakers put on a show for the fans in the pole vault. Rick officially cleared 12-1¾, although the bar showed 12-6 before it was measured. This was his best jump of the year. He had gone 11-1¾ in a dual meet. The county record holder in the pole vault is Lowell Allen who cleared 12-8 for Salem in 1928. Allen was in charge of the pole vault at the meet yesterday and he was shouting encouragement at Sulea.

United's Paul DeVille broke his own school record when he won the 440 yesterday in the good time of 52.8 which is one second off the county record. Salem's Beery was second. Bill Flanagan placed fourth and set a new Potter record at 53.6. Lisbon's only point came in this event when he placed fifth.

United's mile relay team pulled a big surprise when it tied East Liverpool for first. Both were clocked in 3:40.6. Paul DeVille, Bruce Hoyt, Gary Milliken and Don Mayer ran the relay for the Eagles. Mayer, the anchorman, gave all he had and collapsed on the track from exhaustion at the end of the race.

Clayton Marshall of East Palestine spiked himself in the knee while high jumping yesterday and had a few stitches taken to close the wound.

THE VICTORY for Salem was its sixth in the last nine county meets. The Quakers have now won 24 county meets and tied for first in another. Runner-up East Palestine has 17 wins and two ties.

Reilly School won a special 440-yard relay event involving Salem grade schools.

Trophies and medals were passed out by Salem Senior High students Carolyn Gordon, Bonnie Schuster, Rosemarie Shoe, Lynda Whiskey, Beverly Caudill and Diane Dawson.

Salem High Athletic Director Fred Cope directed the meet with Dave Williams serving as referee and John Russ as starter.

Top Area Cage Powers May Form Athletic League

There appears to be a strong possibility that Salem High and several other area schools will in the near future form an athletic league for basketball which would bring together some of the perennially rugged high school cage squads in this part of the state.

A meeting of representatives from such schools as Alliance, Massillon, Canton McKinley, East Liverpool, Salem, Steubenville, Niles, Warren and possibly New Philadelphia and Cuyahoga Falls, will be held at the Lape Hotel here later this month to discuss formation of such a league.

Coaches John Cabas of Salem and Dick Boyd of Warren Harding are known to have done considerable work in investigating the possibilities of forming a league. Indications are that the other schools mentioned have shown considerable interest in such a league.

Indianapolis Driver Killed

Nickel's Worth of Wire Causes Crash

INDIANAPOLIS, Ind. (AP)—Tony Bettenhausen, 44, whose greatest ambition was to win the richest of all auto races, died because a nickel's worth of wire broke on a car he was testing for a friend at the Indianapolis Motor Speedway.

Bettenhausen was killed instantly when the roaring racer hurtled into a wall and burst into flames Friday.

Speedway officials said the cause of his death was a cotter pin worth about five cents. The sheared pin let a bolt fall, and when the idol of American auto speed fans stepped on the brakes, the axle twisted, flinging the car into the outside retaining wall on the northwest turn.

Bettenhausen, of Tinley Park, Ill., was dead when guards fought their way through horrified fans to where the smashed car hung wrapped in wire atop the wall.

The stocky little Dutchman's death came while his own car, with which he hoped to break records at today's time trials for the 500-mile Memorial Day race was sitting in a speedway garage.

He was testing a car for his long-time friend Paul Russo of Fortville, Ind. He had turned in several laps at 145 miles an hour in the car, the Stearly Special, and had slowed down as though he planned to come into the pits.

A few hours before, Bettenhausen had expressed confidence in getting the pole position—a prize for the fastest qualifier on the first day of trials—for his 17th try at winning the 500. He also believed he would turn the first 160 m.p.h. lap ever recorded at the speedway.

"Tony said he had a good car this year and could realize his ambition of finally winning the 500," said a daughter-in-law, Mrs. Pat Bettenhausen of Tinley Park. Only Wednesday, Tony had turned in a 149.245 lap—the fastest ever recorded in traffic on the 2½-mile brick and asphalt track.

Spahn Puts Away 292nd Victory

By ED WILKS

Associated Press Sports Writer Warren Spahn put away his 292nd victory although allowing eight hits as Milwaukee beat San Francisco 5-4 Friday night and reduced the Giants' National League lead to mere percentage points over Los Angeles. The Dodgers defeated the Chicago Cubs 4-2.

Dick Stuart's pinch-hit home run gave Pittsburgh an 8-5 decision over Cincinnati, ending the Reds' winning streak at nine. St. Louis rapped Philadelphia 5-1 for the Phils' 10th straight setback. The Giants got to Spahn (4-2)

Souchak Has 2 Stroke Lead In Invitational

By MIKE COCHRAN

FORT WORTH, Tex. (AP)—Massive Mike Souchak, who celebrated his 34th birthday here Wednesday, was well on his way to a \$7,000 prize today as the \$40,000 Colonial National Invitational Golf Tournament wheeled into its third round.

The muscular belter from Grosinger, N.Y., toured the par 70, 7,041-yard Colonial course in regulation figures Friday and grasped a two-stroke lead over a class field bewitched by high winds and hard greens.

Souchak, who won here in 1956, captured the 36-hole lead with a one-under-par total of 139.

Nipping at his heels at 141 were the first-round leader, Kel Nagle, along with powerful Arnold Palmer and Billy Casper, the chunky veteran from Apple Valley, Calif.

Nagle, who tied the competitive course record of 65 Thursday, countered various golfing ills and soared to a 76 Friday.

Palmer struggled in with a 73 to go with his opening 68. In a strong challenging position at 142 were Gene Littler, who also equaled par Friday and two 71 shooters, Doug Ford and Ernie Vossler.

One stroke back was aging Ben Hogan, who usually plays this course like he owns it and would be a six-time champion if he copped the 1961 crown.

Gary Player, who has tagged the circuit gold mine for \$47,796 in official earnings, had little to say after tacking a 75 to his opening-round 74.

McBride To Coach At Stanton Local

Don McBride, former star athlete at Columbiana, yesterday was named head football coach and reserve basketball coach at Stanton Local High School at Irondale, it was announced by school officials today.

McBride, who leaves similar positions at Hopedale High School, succeeds Fred Sims, who resigned last month.

During three years at Hopedale, his football teams lost only one game while winning 24 and tying two.

Graduated from Ohio University in 1957, McBride was the regular quarterback on the varsity squad for three years. He served two years as an officer in the United States Army.

At Columbiana, McBride was a standout in football, basketball and baseball.

Salem, Columbiana Tangle in Baseball

The County-City baseball league will open its 1961 season Sunday when all six teams are scheduled to go to the post.

The Salem Merchants will entertain Columbiana at 2 p.m. at Centennial Park. Other games will have East Liverpool at East Palestine and Leetonia at Negley.

Reds Ripped 8-5 by Pirates

Win Puts End to 9-Game Win Streak

PITTSBURGH (AP) — Even though another of Manager Freddie Hutchinson's pinch hitters—Hal Bevan — came through Friday night, the Cincinnati Reds went down 8-5 before a barrage of 13 Pittsburgh Pirate hits.

It was the most runs scored off the Reds this season. It also ended the Reds' nine-game winning streak.

The Reds started out the game promisingly, scoring in the first inning on Vada Pinson's single and stolen base, backed up by a double from Gene Freese.

An inning later, the Pirates made it 1-1, when starter Bob Purkey gave up three singles. Then, in the third, the Buccaneers started hitting home runs.

The Reds got two home runs also, but the trouble was that each of the Pirates' four-baggers was good for three runs while the Red homers were solo shots.

The first Pirate homer was by Rocky Nelson after Purkey allowed singles by Dick Groat and Bill Virdon.

Bevan, a 30-year-old Red rookie who was put out of action with a broken finger in spring training, pinch-hit for Purkey in the fourth and knocked the ball over the left field wall.

Marshall Bridges took over the pitching chores from Purkey and was quickly tagged with a run on three singles. But in the fifth inning the Reds cut loose, scoring three times and tying the score.

Frank Robinson, the first batter, hit a home run—his sixth in 1961. The next two batters filed out. But Chico Cardenas singled to center and came home on Gordie Coleman's double. Coleman himself raced home soon after on Bob Schmidt's single.

The Pirates wrapped up the game and the scoring in the bottom of the fifth—again on a three-run home run, this one a pinch-hit blast by Bob Stuart.

The defeat was charged to Bridges, (0-1), who was followed to the mound by Jay Hook and then by Howie Nunn. The Pirates used three pitchers, with the victory credited to reliever Bobby Shantz (1-0).

Bevan appeared in only one previous game. That time he was also batting for a pitcher—Ken Hunt at Milwaukee May 7—and fanned.

He came to Cincinnati after four seasons with the Seattle farm club where he earned a living first as an infielder and later as a catcher. In his last two seasons there he batted .322 and .305 and was once named to the Pacific Coast League all-star game.

Bevan made a brief appearance in the majors in 1952, when he played in nine games for the Boston Red Sox and the Philadelphia Athletics. He hit six singles in 18 times at bat and stole two bases, when an injured ankle put him out of action for the rest of the year.

The next year he was back in the minors, changing teams almost every year—from Ottawa to Columbus to Havana and finally to Seattle where he stayed and won another chance with a big league team.

The Reds will make a try starting another afternoon, with Jim O'Toole (3-1) facing another Pirate southpaw, Joe Gibbon (2-2).

Antonelli Pounded As Orioles Win 4-2

CLEVELAND (AP) — Johnny Antonelli, tagged with four losses in his five starts and still looking for his first American League triumph, is headed for the Cleveland bullpen. And Barry Latman is moving into a starting job.

Antonelli was bombed for seven hits and four runs—including a two-run homer by Jim Gentile—in 3 1-3 innings against Baltimore Friday night. The Orioles won 4-2 behind Jack Fisher's seven-hitter.

But the bright news for the Indians was the relief pitching of Latman, who limited Baltimore to only two hits in four innings. He gained new stature with Manager Jimmie Dykes, while left-hander Antonelli lost more luster.

"Antonelli will be in the bullpen for a while," said Dykes. "I

Tigers Nip Yanks On Lary's Homer

By The Associated Press
Yankee-killer Frank Lary hit a tie-breaking home run in the ninth inning for a 4-3 victory at New York Friday night that gave Detroit a 3½-game lead over the Yanks in the American League race. The Tiger right-hander, first pitcher to win in the AL this season, now is 25-8 lifetime against New York.

The Chicago White Sox beat Kansas City 2-1 as Early Wynn won his 287th with a four-hitter; Baltimore defeated Cleveland 4-2; Boston, held to two hits, edged Washington 2-1, and Minnesota dropped the Los Angeles Angels 5-4.

Lary also doubled and scored the tying run in the seventh for the Tigers before tagging the loss on reliever Jim Coates (1-2) with his shot into the lower left field seats. Rookie Steve Boros drove in the first two runs with sacrifice flies.

The Yankees out-hit the Tigers 11-9, and also drew seven walks. They came from behind on a two-run homer by Hector Lopez in the fourth and made it 3-1 on a double in the fifth by Yogi Berra.

Wynn, 41, blanked the A's on three singles after the first inning and retired 21 in a row in the process. He also singled, along with Camilo Carreon, when the White Sox broke a 1-1 tie and beat rookie Norm Bass (1-1) in the fifth.

Baltimore clinched it at Cleveland on a two-run homer in the fourth by Jim Gentile. Vic Power drove in both Cleveland runs off

Jack Fisher (1-2), who gave up seven hits.

Bill Monbouquette (2-3) struck out 17, one shy of the major league record, and shut out the Senators on four hits for eight innings while the Red Sox were making the most of their two hits off Pete Burnside (0-3). Pumpsie Green doubled and scored on Chuck Schilling's sacrifice fly in the third, and after two walks and a single by Vic Wertz loaded the bases in the seventh, Burnside walked in the winning run.

Pete Ramos (3-2) drove in the last three runs for the twins off loser Eli Grba (3-3) with a home run in the fifth and a two-run single in the sixth. Grba, Ken Hunt and Earl Averill homered for the Angels.

BOWLING SCORES

Final results of the Timberlanes 11th annual bowling tournament concluded May 7 show the Gibby's Pick Ups team of East Canton the winner of the top prize of \$500 with a total pin score of 3,132.

Second place among the 810 teams entered was Rockwell Standard of New Castle, Pa., with a pin total of 3,115 and the \$300 prize, while third position went to the All Star Five of Wheeling, W. Va., with 3,097 total pins to take the \$200 prize.

Eight Salem entries finished among the top 16 teams which won prize money. Winning a \$60 prize for 24th place was the Penn Grill team with a pin total of 3,020. Bell Plumbing took a \$50 prize with its 47th place finish with a pin total of 2,978.

Salem teams winning \$40 prize money were: Quaker City "G", 90th, 2,944; Wiggers Used Cars, 123rd, 2,914; Aldom's Diner, 133rd, 2,909; Salem Pick Ups, 137th, 2,908; Fisher Sports Equipment, 138th, 2,908; and Press Room, 158th, 2,898.

The high actual single game in the tourney went to S. Bozovich of Canton with a 269, while the high actual three-game total went to George Sleka of Newton Falls with a 664. The high actual single game team score was recorded by E-J Chair Rental of Youngstown with a 1,036.

The 810 teams entered in the tournament were 106 more than were entered in 1960, officials reported. The tournament, which was held over seven weekends, included 4,050 bowlers from four states.

Columbiana Kiwanis to See Movie 'Operation Abolition'

COLUMBIANA — "Operation Abolition," the controversial film issued by the House Committee on Un-American Activities, reported to show communist-inspired disturbances at panel hearings in San Francisco, will be shown at the Kiwanis Club meeting Monday night at Heck's Restaurant. George Heck, program chairman, said the movie includes actual scenes taken during the hearings and riot in the west coast city. He said the film has been endorsed by FBI chief J. Edgar Hoover.

School Clinic At Leetonia Set Tuesday

LEETONIA — The final immunization clinic will be held Tuesday at 9:30 a.m. in Orchard Hill School.

The clinic is for children entering school or kindergarten and who are not receiving immunization from their own doctor.

Richard Coppersmith, son of Mr. and Mrs. John Coppersmith of Ridge St., arrived home Thursday on leave after serving 23 months with the U. S. Coast Guard in Hawaii. He will report for duty again June 28.

INSTALLATION of officers will be held at the Sons of Italy this evening at 8. Installation ceremonies will be conducted by officers of the Grand Lodge. A dance will follow at 10 p.m., with Chuck Adams Orchestra playing.

"Mother" will be the sermon subject by the Rev. Robert E. Ferguson at the Methodist Church at 10 a.m. Sunday.

The Ruth Bible Class will meet at the Church Thursday evening at 8, with Mrs. Lawrence Kibler and Mrs. Warren Zimmerman as co-hostesses. Mrs. Helen Archer will have devotions.

Intermediate MYF will meet Thursday at 6 p.m.; Youth Choir at 7 and the Senior MYF at 8. Harmony Class will meet at the parsonage Sunday, May 21, at 7:30 p.m.

THE LEETONIA SCHOOL Cafeteria menu for next week is: Monday — Wiener sandwiches, buttered peas and carrots, mixed fruit, cookies, milk.

Tuesday — Meat pie, pickled beets, bread-butter, fruit jello, milk.

Wednesday — Baked beans, potato salad, corn muffins, pineapple, milk.

Thursday — Baked beef and noodles, bread-butter, buttered corn, cherry crisp, milk.

Friday — Fish sandwiches, sauce, buttered green beans, apple sauce, milk.

Intermediate MYF of the Methodist Church met in the church Thursday evening with 19 present. Susan McElroy had charge of devotions.

Karen Sinsley, president, appointed Linda Kornbau and Susan McElroy on the refreshment committee for next week. Billy Hall will have the devotions.

Salem Woman Sued As Result of Crash

LISBON — Three suits totaling \$12,500 were filed in Common Pleas Court Friday by Mr. and Mrs. Gerhard Poldeman and Aurelia Vaida of Summitville and Salem, respectively, as the aftermath of a traffic accident.

Dorothy H. O'Donnell of 507 Arch St., Salem, is the defendant. Poldeman asks \$2,500 for expenses and the loss of his wife's services, and his wife asks \$5,000 for her injuries as does Aurelia Vaida. The plaintiffs claim they were riding in a car May 15, 1959, on N. Ellsworth Ave., Salem, when the defendant failed to stop at intersection of W. 4th St., and struck their auto.

MEETING POSTPONED

LISBON — The monthly meeting of the Columbiana County Health Board has been postponed to May 22. The board usually meets the third Monday of the month, but Dr. C. S. Palmer, county health commissioner, will be out of town on that day.

FINED AFTER CRASH

LISBON — Edward Brosnatch 31, of Mayfield Heights, forfeited a \$10 bond Friday evening in Mayor Dean Stockman's court after he failed to appear for a hearing on a charge of failing to yield right-of-way.

Brosnatch was cited by village police at 4:35 p.m. Friday after he was involved in an accident on the square. He was driving south on N. Market St. and made a left turn in front of a northbound car driven by Robert Shiffer, 37, of Cuyahoga Falls, causing a collision.

SCHOOL BOARD GUESTS

LISBON — Franklin Local School Board members will be guests of the Columbiana County School Board at its meeting Tuesday night. Only routine business is on the agenda, County School Supt. James L. McBride said.

FRED ZELLERS has been elected president of the Junior Rifle Team sponsored by American Legion Post 290. Ken Mahler is vice president, Kirby Zellers secretary, Ricky Culp treasurer, and Wilbur Fuhrman Jr. executive officer. Raymond Culp is instructor for the team, and Wilbur Fuhrman is adult leader.

Mrs. Helen Cline will present a group of her piano pupils in a public recital Sunday at 2:30 p.m. in the high school auditorium. Participating will be: Gretchen Cline, Mary Ann Casey, Vikki Varner, Susan Hough, Terry Kornbau, Sandra Leonard, Richard Eskay, Carol Steele, Jim Leonard, Janis McGuckin, Connie Zarnosky, Patti Fair, Linda Kornbau, Linda Antram, Joanne Coe, Marna Hanna, Susan Souder, Paulette Eskay, Connie Perrin, Elva Jean Hazel, Kathie Unkefer, Gene Alexander, Christine Gela, Tommy Zarnosky, Elizabeth Chikas, Cindy Merritt, Ann Keller, Jeannie Ward, Marsha Keller, Cindy Merritt, Nancy Ziegler, Peggy Perrin, Nancy Hum, Jim Ward, Penny Perrin, Lynn Williams, David McGuckin, Kathleen Casey and Keith Chamberlain.

FAIRFIELD PARENT - TEACHER Organization will sponsor a hymn sing Sunday at 7:30 p.m. in the Fairfield school building. The public is invited. Several local churches will participate.

Mrs. Thomas Smith won a prize as the oldest mother and Mrs. Matt Powers as the youngest mother at the annual mother-and-daughter banquet of the First Methodist Church.

An attendance of 141 was reported. Mrs. Ernest Rogers was picked as the oldest daughter and Denise Gurski as the youngest daughter. Mrs. Wilbur Spanabel won an award for having the most daughters.

Mrs. Richard Souder and Mrs. Leonard Goist will be hostesses to the Mothers Club picnic Wednesday at Pavilion 2 in Firestone Park.

Mrs. Hayes Armbrust will receive the Columbiana Garden Club Tuesday for a luncheon at her home. Mrs. Russell Barber will be co-hostess. Mrs. William Starnes will be in charge of instructions on making hanging baskets.

MARY DUFFY, an employee of the Post Office, has returned from a vacation trip to Haiti, Puerto Rico and the West Indies.

Mrs. Pearl Byers who has been recuperating from surgery, at the home of Rev. and Mrs. Harold Thiedt, has returned to her home of E. Friend St.

Weekend guests of Mr. and Mrs. C. R. Todd were Mr. and Mrs. E. L. Knag of Flint, Mich.

Arthur Hickman was the winner in the slide contest held recently by the Columbiana Camera Club, having the highest number of points. Walter Messersmith and Robert Young tied for second, and Ralph Reddington and Marian Glenn, tied for third. Mr. and Mrs. Albertus Houk, Mr. and Mrs. Raymond Gieckler and Mrs. Frank Henry visited Mrs. Paul Gieckler, Mr. and Mrs. Howard Gieckler and Mr. and Mrs. William Gieckler, all of Youngstown.

Mr. and Mrs. Robert Zarnosky have purchased the Ralph Reddington home at 37 S. Pearl St.

4-H Members Picked For Various Awards

LISBON — Ten Columbiana County 4-H awards and recognition committee members met Friday evening and picked out standing 4-H members for the Junior Fair Board, state junior leadership camp, state conservation camp, camp congress, camp counselors and 1961 royal court.

Winners in the above categories will be announced prior to each activity, according to Joseph Burger, county extension agent in 4-H work.

Miss Audrey Harold of Leetonia is chairman, and Chet Roof of Salem, vice chairman, of the awards committee.

TWO FINED, ONE FORFEITS

LISBON — Two motorists were fined a total of \$30 and costs Friday by County Judge James L. MacDonald for traffic violations, and another forfeited a bond when he failed to appear for a hearing.

Fined were William R. Deeley, 26, of Salineville, \$10 and costs for driving a towed vehicle without license plates, and Carl Watson, 35, of Youngstown, \$20 and costs for reckless operation.

Paul J. Clutter, 20, of Cameron, W. Va., forfeited a \$15 bond for operating an unsafe vehicle. All were cited by the State Highway Patrol.

MARTHA WAYNE

Deaths, Funerals

Boyles Funeral

Funeral services will be held Monday at 2 p.m. for William Boyles, 63, of 30 W. Railroad St., who died of a cerebral hemorrhage at 2 p.m. Thursday at Salem City Hospital. Services will be held at the Boyles homestead on Rt. 250 west, one mile from Cadiz, where friends may call tonight and Sunday.

Born in Cadiz, he had lived in Columbiana 32 years. He was a member of the Presbyterian Church and the Elks Lodge of Salem.

Survivors include two sisters, Miss Frances Boyles, Mrs. Martha K. Stewart, and a brother, Henry, all of Cadiz. A brother, Samuel, preceded him in death. He was formerly wed to Mrs. Thomas Taylor of Columbiana.

Opening of Softball Season Is Delayed

The Salem softball league opening was delayed today until Wednesday because of wet grounds. Dave Briskin, secretary, said that because of the condition of Kelley Park no softball will be played until Wednesday. It was originally planned to start tonight.

SCHEDULE THE SAME

The practice schedule for all Hot Stove teams next week remains the same as this week. John Herman Jr., Hot Stove League president, announces.

SCHOOL FOR PRESIDENTS — The famous clock tower of Harvard University in Cambridge, Mass., appropriately illustrates one fact in the lives of six U.S. presidents. All graduated from this university. They are: John Adams (1755), John Quincy Adams (1787), Rutherford B. Hayes (Harvard Law School, 1845), Theodore Roosevelt (1880), Franklin D. Roosevelt (1904) and John F. Kennedy (1940). Closest runner-up school in this category is the College of William and Mary, Williamsburg, Va., which three presidents attended (Jefferson, Monroe and Tyler).

West Branch Faculty Association Meets

The delegate to the National Education Association was named when the West Branch Local Teachers Association met Thursday. Robert Beck of Knox School was named delegate to the NEA convention at Atlantic City June 25 to 30, with Mrs. A. L. Biery of Beloit School as alternate. The members voted to give the delegate \$40 to help defray expenses. Clinton Heacock, executive head of the school district, spoke to the group in regard to the delay in salary raises.

Wilbur Buehler, chairman of the social committee reported that the final spring meeting of the Association will be June 2, at 8 p.m. at West Branch Auditorium. Entertainment will be the Mount Union College Choir and an address by Paul Smith, superintendent of Salem Schools. Each member may bring a guest. Refreshments will be served.

A special meeting of the representative council will be held May 25 at which time the handbook for new teachers will be completed.

County Is Visited By State Official

LISBON — Fred Becker of Columbus, chief of county affairs, was a visitor in Columbiana County Thursday and Friday and went over the tax areas with Auditor Kenneth Bell and Adin Kauffman of Columbiana, head of the county reappraisal program.

The group visited and did some review work in Washington, Center, and Franklin Townships and the village of Salineville.

They visited Butler and Salem city Friday. Becker said he was pleased with the new appraisal program and was glad he allowed the Southern Local levy go through as it was set up.

He also spoke to the superintendents of the schools in the county Friday.

Becker advised the auditor and Kauffman to make a thorough investigation of his territories and advised them to put the new appraisal on the tax duplicates in 1962 payable in 1963, Bell said.

Floods

sipti at Cairo but massive levees are expected to prevent any overflow at that once-dangerous point.

The Kaskaskia in southwestern Illinois stood at 10.4 over flood at New Athens and was expected to rise a few more inches. Water was two feet deep in stores on New Athens' main street and more than 25 families have been evacuated.

Most rivers and streams in southeast Missouri receded slowly after cresting the past two days. The swollen Arkansas was also receding as was the Verdigris in Oklahoma. It will be a number of days, however, before the swollen arteries can carry the runoff from flooded lowlands.

To the south of the stricken Midwest area, heavy rain fell in western portions of North Carolina and Virginia threatening an added load for the Ohio and slowing the runoff from southern Illinois and Indiana.

Legislators' Vote On Major Bills Shown

Here's how area legislators voted on major bills before the Ohio Legislature recently.

To prohibit use of parking lights for night driving (passed 20-11)—Blake yes; Carney yes; Olenick yes; Sargus no vote.

House:
To require annual licensing of veterinarians (passed 73-41)—Barrett yes; Bettis yes; Carney yes; Gilmartin yes; Tablack yes; Wetzel yes.

To authorize extension of group life insurance for ONG groups (defeated 35-83)—Barrett no; Bettis no; Carney yes; Gilmartin no; Tablack no; Wetzel no.

To raise penalty for selling firearms to minors (defeated 65-51)—Barrett yes; Bettis no; Carney yes; Gilmartin yes; Tablack yes; Wetzel no.

To appropriate \$2 billion for the 1961-63 biennium (passed)—Barrett no; Bettis yes; Carney no; Gilmartin no; Tablack yes; Wetzel yes.

2 Sentenced After Violating Probation

LISBON — Two county men were sentenced to the Ohio State Penitentiary Friday by Common Pleas Judge Joel H. Sharp after they violated their terms of probation and were cited by adult probation officer Richard Rose.

Joseph Wolfe, 32, of East Liverpool, who received probation Dec. 29, 1959, for obtaining narcotic drugs, was sentenced to one to five years, and Glen Dillard, 35, of Lisbon, who received probation for non-support in September of 1959, was sentenced to one to three years.

Brokaw Moves For Dismissal of Courthouse Case

LISBON — On Thursday, Prosecuting Attorney G. William Brokaw and Special Assistant Howard M. Cole moved to dismiss the Courthouse employee case now pending in the Seventh District Court of Appeals.

Citing Rule VI of the court which requires counsel for the former employees to object to Brokaw's request for special finding of facts within five days, the memorandum filed with the motion stated that the request for findings was made April 28 and nothing had been done by counsel for the former Democrat employees.

This move came hot on the heels of a favorable ruling by the Supreme Court of Ohio on May 11 which upheld the prosecutor and gave the director of personnel of Ohio 20 days to set up his defense, if any. In that case a Republican employee is claiming her right to a job formerly held by a Democrat. In the Court of Appeals case the former Democrat employees are seeking re-instatement to the jobs from which they were dismissed Feb. 1.

On Friday, counsel for the former Democrat employees requested leave from the Court of Appeals to file his objections to the prosecutor's finding of facts. The matter is now up to the court of appeals, Brokaw said.

County Legion Unit Elects Lisbon Man

Walter McCoy of Lisbon was elected commander when the Columbiana County American Legion Council met Friday night at North Georgetown. He succeeds Roger Bower of East Palestine.

Other new officers are: Albert Hayes of Columbiana, first vice commander; Bert Keck of New Waterford, second vice commander; Mrs. Virginia Mast of Leetonia, adjutant; James Allmon of Salineville, sergeant-at-arms; Louis Krawiec of East Liverpool, chaplain, and Craig Quigley of Columbiana, service officer.

Laos

(Continued from Page One)

said he would now have to consult other delegations "as to where we go from here."

Rusk stressed that the United States delegation is ready to take its place at the conference table on 10 minutes' notice once the representation issue is settled.

Start of the conference was postponed Friday when Rusk insisted that only the Western-backed Laotian government and the self-styled neutralists of ex-Premier Souvanna Phouma be seated as full-fledged delegations. The Soviets demanded equal status for the pro-Communist Pathet Lao delegation.

Rusk refused to join the talks unless the three-nation control commission in Laos confirmed a cease-fire existed in the Buddhist kingdom.

The cease-fire report came, but the dispute on how to seat the triple Laotian delegations immediately cropped up.

The West recognizes Prince Boun Oum's government in Vientiane. The Communist nations consider Souvanna Phouma as still the premier. No one recognizes the rebel Pathet Lao as either a government or a political party.

The Soviets here held out for equal representation of the three factions, to be admitted as observers without any right to sign conference decisions on the future of Laos.

Officers Elected By Elkton PTO

Officers were elected at the last meeting of the Elkton Parent-Teacher Organization recently in Elkton School. Mrs. George Eells presided, with approximately 100 in attendance.

The fourth grade pupils, who were in charge of the program, presented a "command performance," in which the pupils challenged their mothers to a spell-down. Julia Knox recited "My Ma."

The fourth graders won the attendance banner for the meeting, and the second graders won an ice cream party for the class, having won the most attendance banners for the year. The organization decided to give the pupils one dollar each for the attendance record for the year.

The organization also decided to give a small donation to the Beaver Local Light Committee.

The new officers are: President, W. Ernest Gontier of Signal; vice president, Charles Dickey; secretary-reporter, Mrs. Delmar Harold of Elkton; and treasurer, Mrs. Norman Crawford of Elkton.

Urban Petros, elementary supervisor of Beaver Local School District, gave a talk on "Ungraded School Plan." Lunch was served by mothers of the first graders.

POPULOUS PLANET — Recent United Nations estimates put the world's population at about three billion people. This figure, however, does not include another, greater population—livestock—upon which man depends and which competes with man for a share of the nutrition produced by plants. Dr. Georg Borgstrom of Michigan State University has converted the world's livestock into "population equivalents": livestock is measured in terms of the energy (calorie) requirements of a 150-pound man. On this basis, energy consumed by all livestock equals that which it would take 10 billion men to consume. Total "human biomass"—human and livestock requirements added together—amounts to over 13 billion human units. The U.S. and Russia each has a human biomass above one billion. Chart above is based on Dr. Borgstrom's calculations.
